SECTION – I

1. Executive Summary

1.1 Background

a) Tripura State Data Centre (TSDC):

TSDC is one of the key elements of the IT infrastructure created, which is providing data center service to different Departments / Organizations in the State Government, for hosting, running and storing their applications, information, data etc. for delivering services to the citizens with greater reliability, availability and serviceability. TSDC provides better operations & management (O&M) control and minimizes overall cost of Data Management, IT Management, Deployment and other costs. TSDC is operational 24x7 basis, since 24th December 2010. Currently, around 250 applications and websites of different State Govt. Departments are hosted and running in TSDC.

b) TSDC Location:

TSDC is situated in the premises of old building of Directorate of Information Technology (DIT), Government of Tripura, ITI Road, Indranagar, Agartala, 799006. TSDC was set up in an area of about 2,800 sq. ft. earmarked for this purpose.

1.2 Objective

DIT proposes to engage a reputed agency for Augmentation of Existing Backup Infrastructure at Tripura State Data Center (TSDC). The Bidder should have adequate experience as sought in this tender document to undertake these activities.

SECTION – II

2. Invitation to the Bid

The invitation to Bid is for Augmentation of Existing Backup Infrastructure at Tripura State Data Center (TSDC).

The Bidders are advised to study this RFP document carefully. Submission of Bids shall be deemed to have been done after careful study and examination of this RFP document with full understanding of its implications. This section provides general information about the Issuer, important dates and addresses for correspondence etc.

2.1 About Directorate of Information Technology, Govt. of Tripura

The Directorate of Information Technology (DIT) under the Department of Industries & Commerce, Govt. of Tripura was formed in the year 1999.

Vision of DIT: e-Development of the State for transformation into a developed and an empowered State.

Mission of DIT: To promote efficiency, transparency through e-governance and digital services for citizen empowerment, to strengthen IT/ITeS infrastructural backbone for transition into a digitally empowered State and to harness the strength of IT in driving the growth of the State's economy, to promote innovations through Start-up, to ensure a secure cyber space and to develop human resource of the State.

2.2 Issuer

Directorate of Information Technology, Govt. of Tripura.

2.3 Address of the Issuer

The Director,
Directorate of Information Technology (DIT),
Government of Tripura,
IT Bhavan, ITI Road, Indranagar, Agartala, Tripura,
PIN – 799006

2.4 About the RFP Document

This Request for Proposal (RFP) document consists of different sections as follows:

- Section I – Executive Summary
- Section II – Invitation to Bid
- Section III – Eligibility Criteria
- Section IV – Scope of Work
- Section V – Bill of Material (BoM).
- Section VI – Instruction to the Bidder
- Section VII – General condition of Contract
- Section VIII – Format for Response to the Tender: Pre-Qualification Bid
- Section IX – Format for Response to Tender: Technical Bid
- Section X – Format for Response to Tender: Commercial Bid
- Section XI – Annexure

2.5 Key Events, Dates and Important Information

Sl. No.	Event / Information	Details
1	Tender No.	19(70)/DIT/TSDC(Aug)/2025
2	Tender Publication Detail	The tender document can be seen and downloaded from the website https://tripuratenders.gov.in
3	Date of Publishing of Tender	23.07.2026
4	Last Date & Time of Receiving Queries before Pre-Bid Meeting	30.07.2026 upto 05:00 PM
5	Pre-Bid Meeting	31.07.2026 at 12:00 PM at Conference Hall of Directorate of Information Technology, Govt. of Tripura.
6	Last Date and Time for Submission of e-Bid	13.08.2026 upto 05:00 PM
7	Date and Time of Opening of Pre-qualification & Technical Bids	14.08.2026 at 12:00 PM
8	Date & Time for opening of commercial bids	Will be intimated later
9	Bid Validity Period	180 days from the last date for submission of bids.
10	Tender Fee	Rs. 5,000/-
11	EMD Amount	Rs.10,00,000/- (Refundable)
12	Performance Bid Guarantee (PBG) Amount	5% of work order value
13	Contact email	dir.itdept-tr@gov.in; ashesh.ch81@gov.in

2.6 Distribution of RFP Document

The tender document can be downloaded from <https://tripuratenders.gov.in> portal free of cost.

2.7 Pre Bid Conference

The DIT shall organize a Pre-Bid Conference on the scheduled date and time in the Conference Hall of Directorate of Information Technology. DIT may incorporate any changes in the RFP based on acceptable suggestions received during the interactive Pre-bid Conference. The decision of the DIT regarding acceptability of any suggestion shall be final and shall not be called upon to question under any circumstances. The prospective Bidders shall submit their questions in writing not later than the Date and Time indicated under section 2.5 above. It may not be possible at the Pre-bid Conference to answer questions which are received late. However, prospective Bidders are free to raise their queries during the meeting and responses will be conveyed to all the prospective Bidders by way of hosting amendments/clarifications on the website i.e. at <https://tripuratenders.gov.in> in accordance with the respective clauses of the RFP and no participant would be intimated individually about the response of the DIT. The prospective participants have to inform DIT on the email address mentioned in Section 2.5 for attending the pre-bid conference.

2.8 Amendment of RFP Document

At any time before the deadline for submission of Bids, the DIT may, for any reason, whether at own initiative or in response to a clarification requested by a prospective Bidder, modify the Bidding document by amendment. All the amendments made in the document would be published on the website <https://tripuratenders.gov.in>. The Bidders are also advised to visit the aforementioned website on regular basis for checking necessary updates. DIT also reserves the right to amend the dates mentioned in clause 2.5 of this RFP document.

2.9 Deadline for submission of Proposal

The Bid response shall be submitted in the <https://tripuratenders.gov.in>, not later than Last Date and Time for Submission of e-Bid specified in Section 2.5 of this document.

SECTION – III

3. Eligibility Criteria

The following are the conditions, which are to be necessarily fulfilled, to be eligible for Technical evaluation. Only those interested Bidders who satisfy the following eligibility criteria should respond to this RFP:

Table 1: Pre-Qualification Criteria

Sl. No.	Clause	Documents Required
1	The Bidder shall submit tender fee of Rs.5,000/- (non-refundable) to be paid online in the https://tripuratenders.gov.in portal and shall submit Earnest Money Deposit (EMD) of Rs.10,00,000/- (Rupees Ten Lakh only) through online/ eBG in the https://tripuratenders.gov.in portal.	1. Online receipt on deposit of tender fee of Rs.5,000/- (non-refundable) to be paid online in the https://tripuratenders.gov.in portal. 2. Online receipt on deposit of EMD of Rs.10,00,000/- (Rupees Ten Lakh only) to be paid online / eBG in the https://tripuratenders.gov.in portal.
2	The Bidder should be registered under the Companies Act, 1956 or Companies Act 2013, and should have been in existence for the last 5 (five) years from the date of publishing the RFP.	Copy of Certificate of Incorporation.
3	The Bidder shall have an average annual turnover of INR 20.00 crore and positive networth in each of the last three (3) financial years ended on 31/03/2025.	Copy of Audited and Certified Balance Sheet of last 3 Financial Years up to 31/03/2025 should be enclosed. Copy of Chartered Accountant certificate for Turnover and networth for last 3 Financial Years up to 31/03/2025 should be attached.
4	Bidder's/ OEM's experience of having successfully completed IT projects (including supply and installation of Storage/ Backup Solution) work: a) for State/ Central Govt. Agencies or PSUs or PSU Banks or Financial Institutions of State/Central Govt. of India will be considered. b) The bidder/OEM must meet one of the following project value thresholds within the period from 1st April 2016 up to the day prior to the tender publication date: - One project with Storage/Backup components valued at ₹4.50 crore or more, or - Two projects, each with Storage/Backup components valued at ₹3.50 crore or more, or - Three or more projects, each with Storage/Backup components valued at ₹2.50 crore or more. Note: Any of the combination of above project categories will be treated as one project unit. More than one work order	Copies of Work Order + Completion/ Phase Completion Certificates from the client/ Invoice/ Delivery or Installation Reports/ Go-Live certificate/ O&M agreement etc.

	against one tender shall be treated as one work order.	
5	The bidder shall/will not be under a declaration of ineligibility for corrupt or fraudulent practices or blacklisted with any of the Government agencies.	Notarized affidavit in this regard should be submitted by the bidder.
6	The bidder should be an authorized partner of the Manufacturer of the product	Manufacturer's authorization form shall be submitted by the bidder for Storage hardware.

NOTE: Please submit all the documentary evidence in support of the above conditions as the eligibility criteria.

SECTION – IV

4. Scope of Work (SOW)

The bidder shall supply, install, configure and commission additional storage capacity of **500 TB usable capacity** on the existing storage system (NetApp FAS2820 S.no 952539000492 / 467), along with enabling advanced enterprise-grade data management, protection and security capabilities.

1. The proposed solution shall use enterprise-grade NL-SAS drives, support RAID-TEC or higher data protection and enable online expansion of volumes/LUNs without downtime.
2. The solution shall provide built-in storage efficiency features, including inline and post-process deduplication, compression, compaction and thin provisioning, without requiring any external appliances.
3. The storage system shall support enterprise data protection features such as snapshot-based protection, space-efficient point-in-time copies, instant data restoration, synchronous and asynchronous replication for DR/near-DR environments, encrypted replication, integration with third-party backup solutions, replication of backup copies across multiple locations, and Zero Data Loss capability for critical workloads.
4. The solution shall include advanced security features such as data-at-rest encryption, role-based access control (RBAC), multi-factor authentication (MFA) for management access, immutable/WORM storage, and ransomware protection with anomaly detection and automated snapshot capabilities.
5. The storage system shall support secure multi-tenancy, logical workload isolation and Quality of Service (QoS) for performance management.
6. The solution shall also support automated policy-based tiering of cold data to on-premises or cloud object storage, along with hybrid cloud integration capabilities.
7. The successful bidder shall provide comprehensive warranty and technical support for all supplied hardware, software, licenses, installation, configuration and related services up to **11.01. 2031**.

Note: For more details, bidders may visit DIT before participating in this tender.

SECTION – V

5. Bill of Material (BoM)

List of Components

Sl. No.	Item Description	Unit	Quantity	Make (if Any)	Model (If Any)
I	II	III	IV	V	VI
1	500 TB usable backup storage upgrade including encryption licenses of 1000 TB with Warranty & Support till 11-01-2031.	Nos.	01		
2	Backup Software License for 1 Virtualization Host CPU Core with Support till 11-01-2031.	Nos.	416		
3	Installation, Configuration, Commissioning, Integration etc. as per SOW.	Nos.	01		

SECTION – VI

6. Instruction to the Bidders

6.1 Procedure for Submission of Bids

Download of Tender Document: The tender document can be seen and downloaded from the website <https://tripuratenders.gov.in> and also from Directorate of IT website at <https://dit.tripura.gov.in> and State Portal at <https://tripura.gov.in>. The stated Tender is in e-Tender mode with built-in e-Bid and their online evaluation and can only be accessed through <https://tripuratenders.gov.in>.

Modes of Submission: Bidders must submit the Bid response in 4 (four) parts, post registration in <https://tripuratenders.gov.in>, as under:

PART-I:

Tender Fee and EMD: Bidders need to submit a tender fee of Rs.5,000/- (non-refundable) to be paid online in the <https://tripuratenders.gov.in> portal. The bidders have to submit Earnest Money Deposit (EMD) of Rs.10,00,000/- (Rupees Ten Lakh only) to be paid online or through electronic bank guarantee (eBG) in the <https://tripuratenders.gov.in> portal. No other fee like Tender Processing Fee etc. except Tender Fee and EMD are applicable for this RFP.

Online payment of Tender Fee is to be paid electronically using the Online Payment Facility provided in the Portal. For online payment of Tender Fee please follow the following process.

- a) After initiating the Bid Submission Process from "My Tender" option, an "Online Payment" page will appear which will display the total Tender Fee.
- b) On submission of Tender Fee payment option, System will redirect to the SBI Bank MOPS window.
- c) SBI MOPS will have two options for Net Banking- "SBI" & "Other Banks". Bidder can choose any of the options as desired and can complete the Online Payment process.
- d) Tenders which are not accompanied by Tender fee or incomplete in any respect will be rejected out-rightly.

Submission of EMD

- a) EMD is to be paid electronically using the Online Payment Facility provided in the Portal or through electronic bank guarantee (eBG).
- b) In case of eBG, the bidder will provide the eBG amount within the BG Fee payment page and the portal will subsequently acknowledge the request and produce the Challan. Bidder will initiate the eBG through the issuing bank with the help of the eBG Challan. Bank will generate the eBG once the KYC process is completed. eBG will be shared to the respective eProcurement portal through NeSL after validation. eBG ID will also be shared to the bidder through e-mail / SMS. Login to portal and click on the Search eBG left menu under eBG Management module to search eBG by eBG Reference Number and accept to access the eBG.
- c) The eBG for EMD should be valid for 180 days from the last date of submission of the bid.
- d) EMD of the bidder may be forfeited if in any case found to have made in false Declaration or Claims.
- e) Bidders exempted under specific Tripura Government order/ rules from submitting EMD have to furnish Scan copy of the related Governments order/rules in English language, along with the tender in support of their claim exemption.

Note : Any bidder may refer eBG Bid Submission process under Bidders Manual Kit of <https://tripuratenders.gov.in>.

PART-II: Pre-qualification Bid: Pre-qualification bid response documents need to be digitally signed before uploading in the above mentioned portal. All documents to be submitted as pre-qualification bid responses are free-format. For all the free-format documents, Bidder is expected to scan the relevant documents into PDF format (in 150 dpi scan resolution).

PART-III: Technical Bids: Complete technical details, solution, data sheet, technical specification for the item(s) offered as per the Bill of Materials at Section-V of this document & any other relevant/supporting documents.

PART-IV: Financial Bid: Complete financial details as per Bill of Quantity (BoQ) sheet.

Note: A bid submitted without the tender fee (to be submitted online) and/or EMD (to be submitted online) and/or incomplete bids shall not be considered and the same will be rejected.

6.2 Authentication of Bid

The response Bid shall be signed by the Bidder or a person or persons duly authorized to bind the Bidder to the Contract. A letter of authorization shall be supported by a written Power-of-Authority accompanying the Bid.

6.3 Validation of interlineations in Bid

The Bid shall contain no interlineations, erasures or overwriting except as necessary to correct errors made by the Bidder, in which case such corrections shall be initialed by the person or persons signing the Bid.

6.4 Cost of Bidding

The Bidder shall bear all costs associated with the preparation and submission of its Bid including cost of presentation for the purposes of clarification of the Bid, if so desired by the DIT. DIT will in no case be responsible or liable for those costs, regardless of the outcome of the Tendering process.

6.5 Language of Bids

The Bids prepared by the Bidder and all correspondence and documents relating to the Bids exchanged by the Bidder and DIT, shall be written in English language. Any printed literature furnished by the Bidder may be written in another language so long the same is accompanied by a duly attested English translation in which case, for purposes of interpretation of the Bid, the English translation shall govern.

6.6 Documents Comprising the Bids

The Bid prepared by the Bidder shall comprise the following components. The Bids not conforming to the requirements shall be summarily rejected.

Pre-Qualification Bid

In support of eligibility, a Bidder must submit the following documents (besides the other requirements of the tender), original copies or attested copies, as the case may be, in the absence of which the Bid will be rejected.

- Section VIII – Format 1: Pre-qualification Bid Letter
- Section VIII – Format 2: General information about the Bidder
- Section VIII – Format 3: Declaration regarding Clean Track Record
- Section VIII – Format 4: Declaration of acceptance of Terms & Conditions in the RFP.
- All required document for eligibility criteria mentioned at Section 3.
-

Technical Bid

The Technical Bid, besides the other requirements of the Tender, shall comprise the following:

- Section IX – Format 1: Technical Bid Letter
- Section IX – Format 2: Technical Evaluation Criteria
- Section IX – Format 3: Deviations from the Tender Terms & Conditions
- Section IX – Format 4: Project Experience Details
- Section V – Bill of Material
- Section XI – Annexure-III: Compliance sheet on Technical Specification of IT Component
- All necessary documents as per Section 4: Scope of Work.

Financial Bid

The Commercial Bid shall comprise the following:

- Filled-in Bill of Quantity (BoQ) sheet.

6.7 Bid Prices

The Bidder shall prepare the Bid based on details provided in the Tender Document. It must be clearly understood that the scope of work is intended to give the Bidder an idea about the order and magnitude of the work and is not in any way exhaustive and guaranteed by the DIT. The Bidder shall carry out all the tasks in accordance with the requirement of the Tender Document & due diligence and it shall be the responsibility of the Bidder to fully meet all the requirements of the Tender Document.

6.8 Firm Prices

Prices quoted in the Bid must be firm and final and shall not be subject to any upward modifications on any account whatsoever. However, the DIT reserves the right to negotiate the prices quoted in the Bid to effect downward modification.

6.9 Bid Currency

Prices shall be quoted in Indian Rupees (INR).

6.10 Bid Security (Earnest Money Deposit)

The Bidder shall submit EMD of Rs.10,00,000/- (Rupees Ten Lakh only) as mentioned in this tender document. The Bidder shall be disqualified in the Pre-Qualification process if the prescribed EMD is not submitted. The EMD (Bid security) of the unsuccessful Bidder/s will be discharged / returned as promptly as possible, but not later than 60 days after the issuance of Letter of Intent (LoI)/Work Order to the successful Bidder. No interest will be paid by DIT on the amount of the Bid Security.

The Bid security may be forfeited because of the following reasons:

1. If a Bidder withdraws the Bid or increases the quoted prices during the period of Bid validity, or its extended period, without the explicit consent of DIT, if any; or
2. In the case of a successful Bidder, if s/he fails within specified time limit to:
 - Sign the Agreement as per RFP and subsequent Bid Document; or
 - Furnish the required Performance Bank Guarantee (PBG).

6.11 Bid Validity Period

Period of Validity of Bids shall remain valid for 180 days after the date of opening of Bids prescribed by the DIT. A Bid valid for a shorter period may be rejected as non-responsive. However, the prices finalized after opening the tenders shall not increase throughout the period of implementation and operation. The prices of components quoted in the Financial Bid by the Bidder shall remain valid for the project period. For Extension of Period of Validity in exceptional circumstances, DIT may request the Bidder(s) for an extension of the period of validity. The request and the responses thereto shall be made in writing (or by fax).

6.12 Withdrawal of Bids Written Notice

The Bidder may withdraw its Bid after the Bid submission, provided that DIT receives written notice of the withdrawal, prior to the last date prescribed for receipt of Bids. The Bidder's withdrawal notice shall be prepared, sealed, marked and dispatched in accordance with the provisions said earlier. A withdrawal notice may also be sent by fax but followed by a signed confirmation copy, post marked not later than the last date for receipt of Bids.

6.13 Opening of Bids

An evaluation committee will be formed for evaluation of the bids. Decision of the committee would be final and binding upon all the Bidders. The Client will first open the Pre-Qualification Bid, next Technical Bid, next Financial Bid in the presence of the representatives of the Bidders, who choose to attend, at the time, date and place, as mentioned in section 'Key Events, Dates and Important Information' (or communicated later to all qualified bidders). In the event of the specified date of Bid opening being declared a holiday for the Client, the Bids shall be opened at the appointed time and location on the next working day. Bid response details considered appropriate will be announced at the bid opening.

Bids Not Considered for Evaluation: Bids that are rejected during the Bid opening process due to incomplete documentation or late receipt shall not be considered for further evaluation.

6.14 Evaluation of Pre-Qualification Bid, Technical Bid and Commercial Bid

- A two-stage procedure will be adopted for evaluation of bids, with the pre-qualification and technical evaluation being completed in first stage, and financial evaluation at second stage.
- After evaluation of Pre-qualification bids, Technical bids will be evaluated as per technical bid evaluation criteria and a technical score will be given to the technically qualified bidders.
- The commercial Bids of only the technically qualified Bidders will be opened and evaluated as per specified criteria.
- Conditional Bids are liable to be rejected.

The evaluation process of the Tender, proposed to be adopted by DIT is indicated under the clauses 6.15, 6.16, 6.17 and 6.18. The purpose of these clauses is only to provide the Bidders an idea of the evaluation process that DIT may adopt. However, DIT reserves the right to modify the evaluation process at any time during the Tender process, without assigning any reason, whatsoever and without any requirement of intimating the Bidders of any such change.

6.15 Evaluation of Pre-Qualification Bid

- Bidders need to fulfill all the pre-qualification conditions mentioned in Pre-Qualification Criteria of the RFP. DIT will examine the Bids to determine whether they are complete, whether the Bid format confirms to the Tender requirements, whether any computational errors have been made, whether required EMD have been submitted, whether the documents have been properly signed, and whether the Bids are generally in order.
- A Bid determined as not substantially responsive will be rejected by DIT and may not subsequently be made responsive by the Bidder by correction of the nonconformity.
- The DIT may waive any informality or non-conformity or irregularity in a Bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.
- The DIT may at any point of time ask clarifications from the Bidders for getting more clarity of the proposal received. The clarification shall be given in writing immediately, but no change in the price shall be sought, offered or permitted.

6.16 Evaluation of Technical Bid

- After qualifying the Pre-qualification criteria, Technical Bid document will be evaluated as per the requirements specified in the RFP.
- Technical Bids of the short-listed Bidders will be reviewed to determine whether these are substantially responsive. Bids that are not substantially responsive are liable to be disqualified.
- Technical bid evaluation will be done based on the Technical Bid Evaluation Criteria specified in the RFP. All the Bidders who score a Technical Score of (70%) or more will be declared as technically qualified. It is, however, clarified that, subject to other provisions of this Document, every Bidder will have to comply the minimum technical specifications laid down in the RFP for being qualified technically.
- In order to assist in the examination, evaluation and comparison of Bids, DIT may at its discretion ask the Bidder for a clarification regarding its Bid. The clarification shall be given in writing immediately, but no change in the price shall be sought, offered or permitted.
- The DIT may request the Bidders to make a presentation on their proposal to an Evaluation Committee to be constituted for the purpose.
- The DIT may waive any informality or non-conformity or irregularity in a Bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.

6.17 Evaluation of Financial Bids

- The commercial Bids of only the technically qualified Bidders will be opened and reviewed to determine whether the commercial bids are substantially responsive.
- The commercial Bids would be evaluated as per specified criteria.
- The commercial Bids would be evaluated based on the overall price quoted.

6.18 Criteria for Final Evaluation of Bids

On opening the financial bids, the Evaluation Committee shall read out the financial bids to all the technically qualified bidders and note the same. All the financial bids shall then be ranked according to the financial bid in increasing order with the bidder quoting the least amount ranked L1, bidder quoting next higher figure as L2 and so on. In case there is any tie in financial bids of one or more bidders, the bidder having the higher technical score will be given better ranking. In case the technical scores are also equal, all the technically qualified bidders shall be asked to resubmit the financial bid. However, in this case, the revised financial bids should be less than the lowest financial bid quoted earlier by the technically qualified bidders. L1 will be declared as successful bidder and his offer will be processed further.

6.19 Rectification of Errors

Arithmetical errors in the Financial Bid will be rectified on the following basis:

- If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and will be considered for future calculations.
- If there is a discrepancy between words and figures, the amount in words shall prevail.

Note: In any other case of discrepancy, DIT reserves the right to pick the value which it considers as beneficial to the Government.

6.20 Contacting the DIT

Contact by Writing: No Bidder shall contact DIT on any matter relating to its Bid, from the time of Bid opening to the time the Contract is awarded. If the Bidder wishes to bring additional information to the notice of DIT, it should be done in writing.

Rejection of Bid: Any effort by a Bidder to influence the DIT in its decisions on Bid evaluation, Bid comparison or contract award may result in rejection of the Bidder's Bid.

6.21 Rejection Criteria

Besides other conditions and terms highlighted in the tender document, Bids may be rejected under following circumstances:

Pre Qualification Rejection Criteria:

- Bids which do not conform to unconditional validity of the Bid as prescribed in the Tender.
- Pre-Qualification Bid containing commercial details.
- If the information provided by the Bidder is found to be incorrect / misleading at any stage / time during the Tendering Process.
- Any effort on the part of a Bidder to influence the Bid evaluation, Bid comparison or contract award decisions.
- Bids without signature/Digital Signature of person (s) duly authorized on required pages of the Bid.
- Bids without power of authorization and any other document consisting of adequate proof of the ability of the signatory to bind the Bidder.
- Failure to furnish proofs for information provided.

Technical Rejection Criteria:

- Technical Bid containing commercial details.
- Revelation of Prices in any form or by any reason before opening the Commercial Bid.
- Failure to furnish all information required by the RFP Document or submission of a Bid not substantially responsive to the RFP Document in every respect.
- Failure to furnish proofs for information provided.
- Bidders not quoting for the complete scope of work as indicated in the Tender documents, addendum (if any) and any subsequent information given to the Bidder.
- Bidders not complying with the Technical and General Terms and Conditions as stated in the RFP Documents other than the deviations.
- The Bidder not conforming to unconditional acceptance of full responsibility of providing services in accordance with the Scope of Work of this tender.
- If the Bid does not confirm to the timelines indicated in the Bid.

Commercial Rejection Criteria

- Incomplete Price Bid.
- Price Bids that do not conform to the Tender's price Bid format.
- Total price quoted by the Bidder does not include all statutory taxes and levies applicable.

6.22 Concessions permissible under statutes

Bidder, while quoting in response to this tender, must take cognizance of all concessions permissible under the statutes including the benefit under Central Sale Tax Act, 1956, failing which it will have to bear extra cost where Bidder does not avail concessional rates of levies like customs duty, excise duty, sales tax, etc. DIT will not take any responsibility towards this. However, DIT may provide necessary assistance, wherever possible, in this regard.

6.23 Income Tax Liability

The Bidder will have to bear all Income Tax liability both corporate and personal tax.

6.24 GST Liability

The Bidder will have to bear all GST.

6.25 Performance Security

5% of contract value required to be submitted in the form of Bank Guarantee which shall be valid till 11-03-2031 by the successful bidder as performance security within 20 days from the LOI/ Work order issue date.

SECTION – VII

7. General Conditions of Contract

7.1 Ownership of Equipment

The DIT shall own all the equipment, Licenses and any solution supplied by the Bidder arising out of or in connection with this Contract.

7.2 Payment

The fee amount will be equal to the amount specified in Format for Tender Response – Commercial Bid. The items/quantities in work order may increase or decrease based on requirement. The basis of payment will be the actual items and quantities of work ordered and executed and valued at the rates and prices tendered in the priced Bill of Quantities.

7.3 Payment Terms & Schedule

Sl. No.	Milestone	% of Payment to be released
1	Delivery of the items	90% of total work order value after delivery of item(s) ordered.
2	Installation and Successful Final Acceptance Test (FAT)	10% of total work order value after successful installation, commissioning & submission of FAT report.

- Payment will be made to successful Bidder as per above mentioned schedule.
- Penalty as per the RFP terms and conditions will be calculated and adjusted from the bill.
- All payments to successful Bidder will be made subject to deduction of TDS (Tax deduction at Source) as per the income Tax Act, 1961, applicable penalty and other taxes, if any, as per Government of India rules.
- If there is any deficiency in the performance of contractual obligations on the part of the Bidder, the Bidder shall be liable for imposition of appropriate penalties as specified in the RFP and DIT shall be entitled to deduct such penalties at source while making payment to the Bidder for the services provided as mentioned and forfeit the guarantee submitted (if required).

7.4 Delivery Schedule

1. Supply of all the items should be within 16 weeks after the allotment of work order from DIT.
2. Installation, configuration and commissioning of the items need to be completed within 20 weeks of work order issue date.

7.5 Penalty

1. Penalty for delivery

If the Agency fails to deliver the equipment within the time period(s) specified in this tender document, the DIT, may without prejudice to its other remedies under the agreement, levy as penalties, for each week or part thereof of delay, until actual delivery of performance. Moreover, if delay exceeds 10 weeks, DIT reserves the right to terminate the work order and also forfeit the security deposit and may backlist the agency, if suitable justification is not given by the Agency.

Delay in Weeks	Penalty
Up to 1	1% of the work order value.
Up to 2	2% of the work order value.
Up to 3	3% of the work order value and so on.
Up to 10	10% of the work order value as maximum penalty

Note: In case of Force Majeure, the DIT may consider waiving off the penalty for that period of delay. However, the Agency should submit justification alongwith necessary documentary evidence for claiming the waiver of penalty (if any).

2. Penalty for Installation, configuration and commissioning

Sl. No.	Items	Target	Penalties (Yearly)
1	Installation of all components, integration, Final Acceptance Test (FAT)	Within 20 weeks of work order issue date.	A Penalty of 0.25% of work order value for every week or part thereof delay upto 6 weeks delay. Beyond 6 weeks, penalty would be 0.5% of work order value for every week or part thereof.

3. Maximum penalty should not exceed 10% of the Work order value.

7.6 Force Majeure

- Force Majeure shall not include any events caused due to acts/omissions of such Party or result from a breach/contravention of any of the terms of the Contract, Bid and/or the Tender. It shall also not include any default on the part of a Party due to its negligence or failure to implement the stipulated/proposed precautions, as were required to be taken under the Contract.
- The failure or occurrence of a delay in performance of any of the obligations of either party shall constitute a Force Majeure event only where such failure or delay could not have reasonably been foreseen or where despite the presence of adequate and stipulated safeguards the failure to perform obligations has occurred. In such an event, the affected party shall inform the other party in writing within five days of the occurrence of such event. DIT will make the payments due for Services rendered till the occurrence of Force Majeure.

However, any failure or lapse on the part of the bidder in performing any obligation as is necessary and proper to negate the damage due to projected force majeure events or to mitigate the damage that may be caused due to the above mentioned events or the failure to provide adequate disaster management/recovery or any failure in setting up a contingency mechanism would not constitute force majeure, as set out above.

- In case of a Force Majeure, all Parties will endeavor to agree on an alternate mode of performance in order to ensure the continuity of service and implementation of the obligations of a party under the Contract and to minimize any adverse consequences of Force Majeure.

SECTION – VIII

8. Format for Response to the Tender: Pre-Qualification Bid

This section provides the outline, content and the formats that the Bidders are required to follow in the preparation of the Pre-Qualification Bid.

8.1 Format 1 – Pre-Qualification Bid Letter

To
The Director
Information Technology,
Government of Tripura,
IT Bhavan, ITI Road, Indranagar,
Agartala, Tripura, PIN – 799006

Subject: Engagement of Agency for Augmentation of Existing Backup Infrastructure at Tripura State Data Center (TSDC).

Reference: Tender No: <TENDER REFERENCE NUMBER> Dated <DD/MM/YYYY>

Sir,

We, the undersigned Bidders, having read and examined in detail all the Tender documents, do hereby propose to provide the services as specified in the Tender document number <TENDER REFERENCE NUMBER> Dated <DD/MM/YYYY> along with the following:

1. EARNEST MONEY DEPOSIT (EMD)

We have submitted EMD for the sum of Rs.10,00,000/- (Rupees Ten Lakh only). This EMD is liable to be forfeited in accordance with the provisions of the Section 7 - General Conditions of the Contract.

2. CONTRACT PERFORMANCE GUARANTEE BOND

We hereby declare that in case the contract is awarded to us, we shall submit the contract performance guarantee bond in the form prescribed in Annexure II of Section 11.

We hereby declare that our bid is made in good faith, without collusion or fraud and the information contained in the bid is true and correct to the best of our knowledge and belief.

We understand that our bid is binding on us and that you are not bound to accept a bid you receive.

Yours faithfully,

(Signature of the Bidder)

11.2 Annexure – II: Proforma of Bank Guarantee towards Performance Security

PERFORMANCE GUARANTEE

Ref. No. _____ Bank Guarantee No _____

Dated _____

To

The Director
Information Technology,
Government of Tripura,
IT Bhavan, ITI Road, Indranagar,
Agartala, Tripura, PIN – 799006

Dear Sir,

In consideration of Directorate of Information Technology, Govt. of Tripura, having its office at IT Bhavan, ITI Road, Indranagar, Agartala 799006 (hereinafter referred to as 'DIT', which expression shall, unless repugnant to the context or meaning thereof, include all its successors, administrators, executors and assignees) after receipt of the work order dated _____ with M/s _____ having its registered/head office at _____ (hereinafter referred to as the 'CONTRACTOR') which expression shall, unless repugnant to the context or meaning thereof include all its successors, administrators, executors and assignees) and DIT having agreed that the CONTRACTOR shall furnish to DIT a performance guarantee for Indian Rupeesfor the faithful performance of the entire CONTRACT.

2. We (name of the bank) _____ registered under the laws of _____ having head/registered office at _____ (hereinafter referred to as "the Bank", which expression shall, unless repugnant to the context or meaning thereof, include all its successors, administrators, executors and permitted assignees) do hereby guarantee and undertake to pay immediately on first demand in writing any /all moneys to the extent of Indian Rupees. (in figures) _____ (Indian Rupees (in words) _____) without any demur, reservation, contest or protest and/or without any reference to the CONTRACTOR. Any such demand made by DIT on the Bank by serving a written notice shall be conclusive and binding, without any proof, on the bank as regards the amount due and payable, notwithstanding any dispute(s) pending before any Court, Tribunal, Arbitrator or any other authority and/or any other matter or thing whatsoever, as liability under these presents being absolute and unequivocal. We agree that the guarantee herein contained shall be irrevocable and shall continue to be enforceable until it is discharged by DIT in writing. This guarantee shall not be determined, discharged or affected by the liquidation, winding up, dissolution or insolvency of the CONTRACTOR and shall remain valid, binding and operative against the bank.

3. The Bank also agrees that DIT at its option shall be entitled to enforce this Guarantee against the Bank as a principal debtor, in the first instance, without proceeding against the CONTRACTOR and notwithstanding any security or other guarantee that DIT may have in relation to the CONTRACTOR's liabilities.

4. The Bank further agrees that DIT shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said CONTRACT or to extend time of performance by the said CONTRACTOR(s) from time to time or to postpone for any time or from time to time exercise of any of the powers vested in DIT against

the said CONTRACTOR(s) and to forbear or enforce any of the terms and conditions relating to the said agreement and we shall not be relieved from our liability by reason of any such variation, or extension being granted to the said CONTRACTOR(s) or for any forbearance, act or omission on the part of DIT or any indulgence by DIT to the said CONTRACTOR(s) or any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

5. The Bank further agrees that the Guarantee herein contained shall remain in full force during the period that is taken for the performance of the CONTRACT and all dues of DIT under or by virtue of this CONTRACT have been fully paid and its claim satisfied or discharged or till DIT discharges this guarantee in writing, whichever is earlier.

6. This Guarantee shall not be discharged by any change in our constitution, in the constitution of DIT or that of the CONTRACTOR.

7. The Bank confirms that this guarantee has been issued with observance of appropriate laws of the country of issue.

8. The Bank also agrees that this guarantee shall be governed and construed in accordance with Indian Laws and subject to the exclusive jurisdiction of Indian Courts of the place from where the purchase CONTRACT has been placed.

9. Notwithstanding anything contained herein above, our liability under this Guarantee is limited to Indian Rupees (in figures) _____ (Indian Rupees (in words) _____) and our guarantee shall remain in force until _____. (Indicate the date of expiry of bank guarantee)

Any claim under this Guarantee must be received by us before the expiry of this Bank Guarantee. If no such claim has been received by us by the said date, the rights of DIT under this Guarantee will cease. However, if such a claim has been received by us within the said date, all the rights of DIT under this Guarantee shall be valid and shall not cease until we have satisfied that claim.

11.3 Annexure - III: Minimum Technical Specification

A. Specification for Backup Storage (500 TB usable)

Sno	Technical Specification	Compliance (Yes/No)	Compliance Cross reference Page No.
1	12 X 24TB NL SAS Drives for DS212 Primary Shelf NetApp FAS 2820		
2	20 X 24TB NL SAS drives for DS460 enclosure		
3	Ransomware protection		
4	Snapmirror replication		
5	Snaplock compliance feature		
6	Warranty and support upto 11.01.2031.		

B. Specification for Backup software

Sl. No	Minimum Specification	Compliance (Yes/ No)	Compliance Cross reference Page No.
1	Software-only backup & recovery solution running inside existing Nutanix/ VMware infrastructure (no HW purchase is required) and should be 100% agentless in architecture		
2	Backup & recovery solution should not require separate purchase of OS or database software licenses or hardware by the department and should be offered as part of the backup solution.		
3	Backup & recovery solution should have a modern HTML5 web-based user interface		
4	Backup & recovery solution must have Service level objective (SLO) driven policy specification of the backup rules through Recovery Point Objective (RPO) and Recovery Time Objective (RTO)		
5	Backup & recovery solution must have Automatic SLO compliancy calculation per VM, based on the policy set RTO		
6	Backup & recovery solution should have the ability to define primary and secondary(copy) backup location with different retention settings		
7	Backup & recovery solution should have the ability to archive full backups to an archive target for long-term retention		
8	Backup & recovery solution must offer automated protection of virtual machines newly added to the environment based on VM tags		
10	Backup & recovery solution should deliver agentless, Nutanix native, storage-layer snapshot based backup and recovery of virtual machines running on Nutanix AHV hypervisor		
11	Backup & recovery solution should deliver agentless, VM-stun free, Nutanix native storage-layer snapshot-based backup and recovery of virtual machines running on Nutanix ESXi hypervisor		

12	Backup & recovery solution should deliver agentless hypervisor-layer snapshot-based backup and recovery of virtual machines running on non-Nutanix ESXi hypervisor		
13	Backup & recovery solution should offer agentless virtual machine single file/folder/disk/volume group recovery capability		
14	Backup & recovery solution should offer agentless automatic application discovery and application-consistent backup as per compatibility matrix		
15	Backup & recovery solution should offer agentless application recovery including granular level recovery (Exchange single mailbox, SQL single instance/database, Oracle tablespace)		
16	Backup & recovery solution should offer automatic storage-layer snapshot based backup and recovery of Nutanix volume groups attached to a virtual machine		
17	Ability to exclude disks from backup		
18	Pre/post script execution framework		
19	Instant recovery capability of Nutanix VMs utilizing Nutanix storage-layer snapshot		
20	Backup & recovery solution should offer cross-hypervisor virtual machine recovery (Nutanix to VMWare and vice versa) without any additional configuration and license requirements		
21	Native compression capability		
22	Data encryption at source, transfer and at rest		
23	Integrated Physical to Virtual recovery		
24	Integrated multitenancy support		
25	Role based user access integrated with Active directory		
26	Efficient backup, catalogue and recovery of Nutanix Files shares via integration with Nutanix Change File Tracking (CFT) API		
27	Supports backup to and recovery from NAS devices using any of the following protocols: NFS, SMB, and iSCSI		
28	Supports direct (no proxy) backup to and recovery from OEM, Cloud storage – GCP, Azure, Amazon and any S3-compatible storage		
29	Support for S3 WORM enabled storage		
30	Support of Nutanix Clusters on AWS		
31	Dynamic extensibility of object level retention lock		
32	Client-direct backup to OEM Data Domain		
33	Support for migration of VMs from on-prem infrastructure to Azure or GCP		
34	Support for migration of VMs from Azure or GCP to on-prem infrastructure		

35	Integrated disaster recovery to Azure or GCP cloud		
36	Fully REST-API enabled providing custom automation support		
37	Delivers SMTP e-mail notifications of user selected OEM events (such as failed backup activities and similar)		
38	Fully integrated customizable report generation capabilities, not requiring any additional infrastructure or licenses		
39	Ability to perform seamless risk-free upgrade		
40	Warranty & support along with upgrade and updates till 11-01-2031.
